

Discover Life Inside the Gates — with Neighbourly

Why juggle WhatsApp groups, notice boards, and scattered services? Neighbourly simplifies community living — offering secure updates, local selling, service discovery, and real neighbor engagement, all in one place. Simple to use. Safe by design. Made for where you live.

Stay Connected With Your Community

Stay informed and involved like never before.

- Get real-time updates, alerts, and event invites
- 🗣️ Join or start meaningful discussions
- Share community memories, moments, and important info

From festivals to fire drills — know what's happening, when it matters.

Buy & Sell, the Neighbourly Way

A secure, resident-first marketplace designed for your community.

- 📦 Post your items with flexible visibility: Public, Private, or Community-only
- Only verified users can interact
- 🛡️ Sell safely across gated communities

No strangers. No spam. Just trusted neighbours.

🚲 Promote Services to the Right Audience

Neighbourly empowers local professionals and home-based entrepreneurs.

- Tutors, yoga trainers, food sellers, electricians & more
- Get discovered by nearby, verified residents
- List once, reach across communities

Reach the right people. Skip the spam.

Visibility Control That Works for You

Tailor your reach. Choose exactly who sees your content:

- Only my community
- All Neighbourly communities
- Custom neighbourhoods

Because trust is better than reach — but with Neighbourly, you get both.
